

SALAZAR FAISURY

WEB DEVELOPER

+573183391794

faisury836@gmail.com

Quinchia-Risaralda

I am a web developer with training from FreeCodeCamp and a strong ability for independent learning. I specialize in HTML, CSS, JavaScript, and React, focusing on creating attractive and functional interfaces. I am characterized by my attention to detail, responsibility, and commitment to continuous improvement. I am always looking for new challenges to keep growing professionally.
